- Basic test plan and deployment configuration
- Handover and walkthrough

Suggested pages / sections

- Public landing page if required
- Login / account area
- User dashboard
- Admin dashboard
- Settings / reports / workflows as scoped

Delivery estimate

Discovery first; timeline and milestones depend on the agreed feature list.

Packages & pricing

Select the package that matches the client's budget and requirements. All features below are subject to the final written scope.

PACKAGE	PRICE	SCOPE SUMMARY
PROTOTYPE / MVP	**₹49,999 onwards**	A narrowly scoped first version; final features confirmed after discovery.
BUSINESS PORTAL	**₹99,999 onwards**	More roles, workflows, database operations and admin controls.
SAAS PLATFORM	**Custom quote**	Subscriptions, billing, complex integrations, security and scale requirements scoped separately.

Optional add-ons

ADD-ON	SUGGESTED PRICE
New integration	**Scoped estimate**
Cloud/database/API usage	**At provider cost**
Ongoing support	**Separate monthly agreement**

Important scope note

This is not a fixed-price offer for an unspecified app. Security review, backups, monitoring, compliance, load testing and production support must be scoped explicitly.

Common exclusions unless specifically included

- Domain registration/renewal, hosting, business email and paid third-party subscriptions.
- Premium themes/plugins, stock media, payment provider transaction fees and API/SMS/WhatsApp usage.
- Ongoing maintenance, ongoing SEO, new pages/features and major changes after approval.
